¹ 18 USC §4 - **Misprision of felony provides:** *Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.*

COUNT 3 – Trespassed upon the case

COUNT 4 – Denial of due process

COUNT 5 – Acted under Color of Law³ in an attempt to seize control of this court

COUNT 6 – Manufacturing an Unlawful Order

COUNT 7 – Aiding and Abetting

The record shows that on June 14, 2017, without any Constitutional authority, self-appointed U.S. District Judge Lawrence E. Kahn, ignoring the random selection process that appointed Magistrate Daniel J. Stewart to this case, trespassed upon the case conducting his own court without notice or concurrence of the parties; without notice to the administrator Magistrate Daniel J. Stewart; without jurisdiction; without due process⁴ and under color of law acted in an attempt to seize control of this court, an act of a tyrant, by manufacturing an UNLAWFUL ORDER to dismiss this *action* without prejudice, thereby aiding and abetting.

The law provides that the judiciary is to respond and not conceal as was attempted by Judge Lawrence E. Kahn. Furthermore, without proper authority, self-appointed Judge Lawrence E. Kahn trespassed upon the case and, by his actions and statements, assumed the cloak of a tribunal⁵. Judge Lawrence E. Kahn then rendered a ruling under color of law

**INFORMATION TO
PRESIDENT TRUMP**

Case NO: 1:16-CV-1490

Magistrate: Daniel J. Stewart

We have sent numerous communiques to Attorney General Jeff Sessions concerning a corrupt Judiciary that is participating in and concealing and covering up innumerable crimes on a National level including murder and cruel and unusual punishments. Attorney General Jeff Sessions has a duty to speak but we have only been met with SILENCE.

“Silence can only be equated with fraud where there is a legal or moral duty to speak, or where an inquiry left unanswered would be intentionally misleading. . .” -- U.S. v. Tweel, 550 F.2d 297, 299. See also U.S. v. Prudden, 424 F.2d 1021, 1032; Carmine v. Bowen, 64 A. 932.

Attorney General Jeff Sessions has a duty to Prevent under 42 USC §1986¹.

Attorney General Jeff Sessions has a duty to Act under 18 USC §4².

¹ **42 USC §1986 - Action for neglect to prevent:** Every person who, having knowledge that any of the wrongs conspired to be done, and mentioned in section 1985 of this title, are about to be committed, and having power to prevent or aid in preventing the commission of the same, neglects or refuses so to do, if such wrongful act be committed, shall be liable to the party injured, or his legal representatives, for all damages caused by such wrongful act, which such person by reasonable diligence could have prevented; and such damages may be recovered in an action on the case; and any number of persons guilty of such wrongful neglect or refusal may be joined as defendants in the action; and if the death of any party be caused by any such wrongful act and neglect, the legal representatives of the deceased shall have such action therefor, and may recover not exceeding \$5,000 damages therein, for the benefit of the widow of the deceased, if there be one, and if there be no widow, then for the benefit of the next of kin of the deceased. But no action under the provisions of this section shall be sustained which is not commenced within one year after the cause of action has accrued.

² **18 USC §4 - Misprision of felony:** Whoever, having knowledge of the actual commission of a felony cognizable by a court of the United States, conceals and does not as soon as possible make known the same to some judge or other person in civil or military authority under the United States, shall be fined under this title or imprisoned not more than three years, or both.

We would like to remind you Mr. President that Greatness can only be equated with Justice, without which there can be no blessings from God. America "Was Great" because we exercised Common Law which is God's Law, without which there can be no Justice. Thereby, America will only be as Just or corrupt as its courts and presently Justice cannot be found in our Federal Courts and it appears that Attorney General Jeff Sessions is not interested in Just Courts.

You can repair healthcare, repair the economy, protect our boarders, return business to America and you can drain the swamp, but if we don't return justice to the courts the bottom feeders will only regain their tyrannical rule after your administration leaves office. Only the People can Save America by enforcing Justice in the Courts.

We respectfully request that you direct Attorney General Jeff Sessions to obey the Law of the Land and do his sworn duty or resign.
